

## Frequently Asked Questions (FAQs)

July 2017

### **EVENT DETAILS**

**Q: When does the event start?**

*A: The event itself will start after lunch and will continue until the evening with the cocktail. All ticket holders are also welcome to sign-up for an activity of their choice – organized by our sponsors. The activities will be announced through our newsletter, and spaces are limited (approximately 15 per activity), so we recommend that you sign-up quickly. The activities usually take place between 9am – 11am. We recommend that you regularly visit our website and check your SPAM folders for our newsletters as they will give you the exact details for the day's schedule. The venue will be open for general access – registration, sponsor booth visits, networking from 11am (check the website for the final schedule).*

**Q: Can I enter the event after it has started and leave before? Are in-n-outs allowed?**

*A: It is possible to enter and leave the event as you wish; however, we recommend that you come on time and stay for full sessions and the networking cocktail to gain the full experience of attending a TEDx conference. Doors to the rooms will be opened / closed for entry and exit while the MC is speaking. You cannot enter and leave the conference room while a speaker is giving their speeches as it can be distracting.*

**Q: Who will be the speakers?**

*A: In the spirit of TED, we encourage people to join the event to be inspired, regardless of who is speaking. However, we understand you are curious, so we will introduce the speakers on our social media (Facebook, Twitter, Instagram) and website once we get closer to the event date in November. We promise that you will not be disappointed.*
